

Independent Auditor's Report

To Weyland Energy GmbH, Hamburg

Marcus Bell · 17 March 2026

Opinion

We have audited the consolidated financial statements of Weyland Energy GmbH, Hamburg, and its subsidiaries, which comprise the consolidated statement of financial position as at 31 December 2025, the consolidated income statement, statement of comprehensive income, statement of changes in equity and statement of cash flows for the financial year then ended, and the notes. In our opinion, the consolidated financial statements give a true and fair view of the assets, liabilities and financial position of the group as at 31 December 2025 and of its financial performance for the year then ended in accordance with IFRS as adopted by the EU.

Key audit matters

- Capitalisation of Harrow Bay development costs
- Impairment testing of onshore wind assets
- Measurement of decommissioning provisions

Other information

Management is responsible for the other information, which comprises the Annual Report 2025 excluding the financial statements and our auditor's report. We read the other information and found no material inconsistencies.
