

Notice to Fishermen No. 2026/38

Harrow Bay Offshore Wind – export cable lay resequencing

Tom Berger · 14 September 2026

Fishermen and other sea users are advised of the following change to the export cable installation programme.

Activity	Export cable 1 lay and burial, KP 0 – KP 62
Vessel	Cable lay vessel and two guard vessels
Period	From 28 September 2026, about 6 weeks, weather permitting
Export cable 2	Postponed – revised dates will follow in a separate notice
Safety zone	500 m around the cable lay vessel

Please keep static gear clear of the export cable 1 corridor during the period above. Skippers who need to relocate gear should contact the Fisheries Liaison Officer. Relocation will be compensated.
