

Kestrel Ridge Community Benefit Fund

Annual Report 2025

Tom Berger · 11 February 2026

The Kestrel Ridge Community Benefit Fund receives GBP 378,000 per year from Weyland Energy – GBP 5,000 for each of the wind farm's 75.6 MW. In 2025 the local panel awarded GBP 241,500 in two funding rounds.

Grants awarded per round since the fund started

Highlights

- **Glenhope Village Hall** – new windows and loft insulation cut the heating bill by about 40 %.
- **Borders Home Energy Advice** – 63 households received grants for insulation and heating controls.
- **Lowmoor Community Garden** – polytunnel and rainwater harvesting, now used by the primary school.
- **Borders Hill Rescue Team** – radios and a stretcher used in 11 call-outs in 2025.

The panel

Seven members: five residents from Glenhope, Lowmoor, Carrick Water, Bankhead and Stobo Mill, one community councillor and Grace Mitchell for Weyland. The fund is administered by Borders Community Foundation.

2026

The spring 2026 round was the largest so far with 17 grants. The autumn round is open until 31 October 2026.
