1. Report of the Executive Board

This pack is issued to the members of the Supervisory Board for the Q3 meeting on 25 September 2025 (Hamburg HQ, Am Sandtorkai 41). It summarises business performance and the items that require a resolution.

Revenue for the first nine months of 2025 reached EUR 217.8 m. The full-year forecast stands at EUR 311 m revenue and EUR 147 m EBITDA.

2. Items for decision

The Executive Board asks the Supervisory Board to resolve on the following items. Draft resolutions are attached to this pack.

1. Harrow Bay project finance – mandate of Hanseatic Infrastructure Bank as lead arranger
2. Millbrook – approval of the land lease

3. Portfolio status

Asset / project	Phase	Status
Harrow Bay Offshore Wind (480 MW)	Pre-FID – financing and contracting	On track
Kestrel Ridge Wind Farm (75.6 MW)	Operation	Green
Millbrook Solar & Storage (85 MWp)	Site development	Green

4. Health, safety and environment

One recordable injury (hand laceration during maintenance) occurred in the onshore fleet; the TRIR (12 months rolling) is 2.1 per million hours worked, below the target of 2.5.

5. Documents attached

- Minutes of the previous meeting (for approval)
- Financial report with management commentary
- Risk report and heat map
- Draft resolutions

Strictly confidential – for members of the Supervisory Board only. Prepared by Dr. Henrik Vogt and Jonas Richter; secretary: Lukas Meyer.
