1. Report of the Executive Board

This pack is issued to the members of the Supervisory Board for the Q3 meeting on 24 September 2026 (Hamburg HQ, Am Sandtorkai 41). It summarises business performance and the items that require a resolution.

Forecast 3 (8+4) projects revenue of EUR 330.5 m and EBITDA of EUR 151.9 m versus a budget of EUR 334 m / EUR 156 m. Year-to-date August revenue EUR 207.1 m (budget EUR 210.2 m), EBITDA EUR 86.4 m (budget EUR 90.1 m).

2. Items for decision

The Executive Board asks the Supervisory Board to resolve on the following items. Draft resolutions are attached to this pack.

1. Forecast 3 (8+4) and budget process 2027
2. Green Hydrogen Pilot – feasibility study and EU Innovation Fund application

3. Portfolio status

Asset / project	Phase	Status
Harrow Bay Offshore Wind (480 MW)	Construction	Amber – HB-RISK-017
Kestrel Ridge Wind Farm (75.6 MW)	Operation	Green
Millbrook Solar & Storage (85 MWp)	Permitting – application submitted	Green

Fenwick Battery Storage (100 MW)	Early development	Green
Green Hydrogen Pilot (5 MW)	Feasibility	Green

4. Health, safety and environment

Safety performance remains on target. Two high-potential near misses were investigated and closed; findings were shared in the monthly safety stand-down. The near miss HSE-INC-2026-018 on MV Sea Atlas (3 June 2026) is reported separately.

5. Documents attached
