

Treasury Policy

Approved by the Executive Board on 24 March 2026

Jonas Richter · 25 March 2026 · FIN-POL-003

1. Objectives

Treasury secures the group's liquidity at all times, protects cash flows against interest rate and currency risks and manages bank relationships. Treasury is not a profit centre; speculative transactions are prohibited.

2. Liquidity

- Minimum liquidity headroom: EUR 75 m (cash plus undrawn committed facilities)
- Rolling 13-week cash flow forecast updated weekly
- Annual liquidity plan stress-tested on P90 generation

3. Interest rate risk

At least 75 % of project debt is hedged for the full tenor at financial close. For Harrow Bay, 85 % of the expected debt was hedged with amortising swaps at 2.74 %.

4. Currency risk

GBP cash flows from UK assets are hedged on a rolling 12-month basis: 75 % for months 1–6, 50 % for months 7–12. Capex in foreign currency above EUR 5 m is hedged at signing.

5. Counterparties

Rating	Max. exposure per bank
AA- or better	EUR 80 m
A- to A+	EUR 50 m and max. 30 % of deposits
below A-	not permitted

6. Authorisations

All payments require two signatures. Treasury transactions above EUR 10 m require CFO approval; hedges above EUR 100 m notional require Executive Board approval.
