Hamburg

Julia Hoffmann · 15 September 2026

Weyland Energy develops, builds and operates wind, solar and storage assets across Northern Europe – 1.1 GW in operation, 4.2 GW in the pipeline and 450 people in Hamburg, Edinburgh and Copenhagen. We are looking for a **Information Security Analyst** in Hamburg.

Your mission

- Support the ISO 27001 programme towards certification in Q2 2027 (risk assessment, controls, evidence).
- Run phishing simulations and awareness trainings; handle security incidents with our MSP Northlight IT Services.
- Review access rights and third-party security questionnaires.

You bring

- Degree in IT security or equivalent experience; 2+ years in an ISMS or SOC role.
- Knowledge of ISO 27001/27002, ideally ISO 27001 Lead Implementer.
- Fluent German and English.

Why Weyland

- Real impact: Harrow Bay alone will power ~ 520,000 homes.
- Safety first – our HSE Golden Rules apply to everyone, every day.
- Flexible working, learning budget, pension and a team that helps each other.
