

HSE Bridging Document – MV Sea Atlas

Weyland Energy / Atlas Marine Contractors

Hannah Weber · 22 June 2026 · HB-HSE-BRD-001

1. Purpose

This bridging document aligns the HSE management systems of Weyland Energy (client) and Atlas Marine Contractors (vessel operator) for the charter of MV Sea Atlas under WE-CON-2025-040. Where the two systems differ, this document defines which procedure applies.

2. Responsibilities

Topic	Applicable system	Responsible
Vessel safety management (ISM)	Atlas Marine	Master, MV Sea Atlas
Permit to work on deck	Atlas Marine	Chief Officer
Lifting operations	Atlas Marine (LOLER), Weyland DROPS standard	Crane supervisor
Access to structures (TP)	Weyland	Offshore Construction Manager
Incident reporting	Both – Weyland within 2 h	Master / HSE Advisor Offshore
Emergency response	Atlas Marine vessel ERP, bridged to Weyland ERP	Master / MCC
Environmental (noise, MMO)	Weyland	Environmental Specialist

3. Incident reporting and investigation

All incidents and near misses are reported to the Weyland HSE Advisor Offshore (Yusuf Demir) within two hours. Incidents classified as high potential are investigated jointly, led by Weyland. Example: HSE-INC-2026-018.

4. Emergency response

- Man overboard: vessel FRC launched, MCC alerts Coastguard and nearest CTV
- Medical emergency: topside doctor via telemedicine; helicopter via Coastguard
- Fire: vessel ERP, all non-essential personnel to muster stations
- Pollution: SOPEP, MCC informs Port of Eastholm and regulator

5. Drills

Drill	Frequency
Fire and abandon ship	Weekly
Man overboard	Monthly
Joint ERP exercise with MCC	Quarterly
Dropped object response	Monthly (since June 2026)

6. Signatures

Company	Name	Role	Date
Weyland Energy	Hannah Weber	HSE Manager	18 Mar 2026
Weyland Energy	Elena Márquez	Project Director	18 Mar 2026
Atlas Marine Contractors	Captain Jens Aalto	Master MV Sea Atlas	20 Mar 2026
