ESG leadership

- ESG rating 88/100, 4 stars (peer average 79)
- 96 % taxonomy-aligned revenue
- ISO 9001, 14001, 45001 – ISO 27001 in Q2 2027
- 20 % biodiversity net gain at Millbrook

Why Weyland

- Proven operator with a de-risked growth project
- Long-term contracted revenues with industrial offtakers
- Disciplined capital allocation and capital recycling
- Committed long-term shareholders
