

Lender Quarterly Report – Q2 2026

Weyland group and Harrow Bay Offshore Wind

Jonas Richter · 14 August 2026 · IR-LQR-Q2-2026

1. Group performance

Revenue for Q2 2026 was EUR 69.5 m and EBITDA EUR 23.2 m. Good solar and battery revenues in May; June was a P90 wind month.

EUR m	Q2 2026	Budget	Prior year
Revenue	69.5	70.2	64.9
EBITDA	23.2	24.2	27.2
EBITDA margin	33.4 %	34.5 %	41.9 %

2. Covenants

Covenant	Threshold	Actual
Net debt / EBITDA (corporate, excl. Harrow Bay project debt)	≤ 4.5x	3.8x
Equity ratio	≥ 25 %	34.1 %
Kestrel Ridge historic DSCR (12 months)	≥ 1.10x	1.33x

3. Harrow Bay Offshore Wind

- 6 monopiles installed by 30 June; cumulative cost EUR 688 m, debt drawn EUR 168 m
- Near miss HSE-INC-2026-018 (dropped object, 3 June) – no injuries, corrective actions closed
- Marine mammal monitoring: no harbour porpoise within the 750 m mitigation zone during piling (Marlow Ecology)

4. Revenue contracting

Long-term contracted revenue share of the operating portfolio: 64 %. The 15-year PPA WE-PPA-2026-004 with Arcturus Steel AG (150 MW from Harrow Bay) was signed on 12 May 2026.

5. Material events

HB-RISK-017 (reported after the quarter end, 21 July 2026): factory test failure on export cable 2; delay notice delivered on 24 July 2026.
