

Letter to our Shareholders – H1 2026

Weyland Energy GmbH

Jonas Richter · 20 August 2026

Dear Shareholders,

The first half closed slightly below budget due to a weak wind resource in June, but our construction programme at Harrow Bay is progressing well. We also have to report a setback on the export cables, which we are managing closely.

Key figures

EUR m	H1 2026	Budget	Prior year
Revenue	164.5	167.5	156.6
EBITDA	74.1	78.0	73.2
EBITDA margin	45.0 %	46.6 %	46.7 %

Highlights

- Harrow Bay: 10 monopiles installed by end of July, offshore substation topside installed on 19 August
- HB-RISK-017: factory test failure on export cable 2 – 8-week delivery delay, COD 30 June 2028 maintained
- Millbrook planning application MDC/2026/0412 submitted on 18 June
- Full-year forecast (6+6): revenue EUR 329.6 m, EBITDA EUR 150.7 m

Outlook

We expect full-year EBITDA of around EUR 150 m. Harrow Bay remains on budget and on schedule for COD in June 2028.

With kind regards,

Dr. Amara Okafor, CEO · Jonas Richter, CFO
