

Anti-Bribery and Corruption Policy

Priya Nair · 15 January 2026 · WE-POL-LEG-003

1. Our commitment

Weyland does not offer, pay, request or accept bribes – directly or through third parties – in any country where we work. This applies to public officials, planning authorities, grid operators, suppliers and customers alike. We comply with the UK Bribery Act 2010, the German Criminal Code (§§ 299, 331 ff. StGB) and the Danish Criminal Code.

2. Gifts and hospitality

Value per occasion	Rule
up to EUR 50	Allowed, no registration
EUR 50 – 150	Allowed, register within 5 working days
above EUR 150	Prior approval by Legal & Contracts
Any value – public officials	Prior approval, always registered
Cash or cash equivalents	Never allowed

No gifts or hospitality during an open tender or permitting process with the counterparty concerned, e.g. SunForge EPC during the Millbrook award phase or Millbrook District Council while MDC/2026/0412 is pending.

3. Facilitation payments

Facilitation payments are prohibited. If an employee's safety is at risk, pay, then report to Legal within 24 hours.

4. Third parties

Agents, consultants and joint venture partners are screened before engagement (third-party due diligence questionnaire and sanctions check).

5. Community benefit funds

Community funds (e.g. EUR 120,000 per year in Millbrook) are administered by independent foundations, never linked to individual votes or planning decisions, and published in full.

6. Speaking up

Report concerns to your manager, Legal, or anonymously through the whistleblowing channel. Retaliation against good-faith reporters is a disciplinary offence.
