

Weyland Bulletin – May 2026

15 years of green power for green steel

Noah Fischer · 26 May 2026

15 years of green power for green steel

On 12 May we signed WE-PPA-2026-004, a 15-year PPA with Arcturus Steel for 150 MW from Harrow Bay.

Project update

Project	Status
Harrow Bay	4 of 40 monopiles installed by the end of May
Kestrel Ridge	16.2 GWh generated in April
Millbrook	Pre-application
Fenwick	Land option signed on 30 April

People

Welcome to the 14 new colleagues who joined this month – including our first two offshore HV engineers in Edinburgh.
