**Application MDC/2026/0412 – Land north of Millbrook (Ashcombe Farm and Hollins Farm):
solar farm of up to 85 MWp with battery storage**

Response: No objection

The applicant has engaged positively. The 30 m corridor for footpath FP14 is welcomed. FP14 must remain open during construction; any temporary closure needs a separate order. We request a condition for a Public Rights of Way management plan including signage at track crossings.

Yours sincerely,

Public Rights of Way Officer – Planning Liaison
