

Highways Authority

To: Sarah Hollis, Senior Planning Officer, Millbrook District Council · Date: 2026-09-24

**Application MDC/2026/0412 – Land north of Millbrook (Ashcombe Farm and Hollins Farm):
solar farm of up to 85 MWp with battery storage**

Response: No objection subject to conditions

Further to our holding response of 21 July 2026, the applicant has submitted CTMP Rev 2 with a swept-path analysis for the B4127 junction and a commitment that construction HGVs will not use the village section of Mill Lane.

The Highway Authority **withdraws its holding objection** and raises no objection subject to conditions on the CTMP, the junction design, a pre- and post-construction condition survey of Mill Lane, and removal of the haul road within six months of commissioning.

Yours sincerely,

Highways Authority – Planning Liaison
