

Heads of Terms – Option and Lease

Land at Ashcombe Farm and Hollins Farm, Millbrook

Priya Nair · 01 August 2025

Subject to contract. These heads of terms are not legally binding except for the exclusivity and confidentiality clauses.

Term	Agreed position
Landlords	Geoffrey and Ann Pryor (Ashcombe Farm); Hollins Farm Partnership (Mark and Debbie Hollins)
Tenant	Weyland Energy GmbH (or a project SPV, Millbrook Solar Ltd)
Property	Approx. 142 ha shown edged red on the plan, plus easement for the 132 kV cable route (3.8 km)
Option period	5 years from signing of the lease to obtain consents and grid
Lease term	40 years from the date of first export plus 18 months for decommissioning
Option fee	EUR 250 per ha per year during the option period
Rent (operation)	EUR 1,050 per ha per year, indexed annually to CPI, reviewed every 5 years
Construction compensation	Crop loss paid at agreed rates; reinstatement of drainage
Grazing	Landlords retain sheep grazing rights between the arrays at a peppercorn
Skylark plots	Up to 13 ha of retained arable land to be managed for skylark mitigation if required by the planning consent
Decommissioning	Bond in place from year 15, sized by an independent surveyor
Exclusivity	12 months from signing these heads of terms
Costs	Tenant pays landlords' reasonable legal and agent fees up to EUR 15,000
