

Mentoring Programme 2026/27

Cohort 3 · October 2026 – June 2027

Julia Hoffmann · 14 August 2026

What it is

A nine-month programme that pairs colleagues with an experienced mentor from another department or office. Cohort 3 has 14 pairs – the largest so far (cohort 1: 8, cohort 2: 11).

Goals

- Build networks across Hamburg, Edinburgh and Copenhagen
- Support career moves, e.g. technician to engineer or engineer to project manager
- Pass on project know-how from Kestrel Ridge and Harrow Bay to the next projects

Format

Element	Frequency
1:1 mentoring conversations	Monthly, 60 min
Kick-off (Hamburg, 15 October 2026)	Once
Peer learning circles	Quarterly
Closing event with the Executive Board	June 2027

Roles

Mentees own the agenda. Mentors listen, ask questions, share experience and open doors. Conversations are confidential.

Feedback from cohort 2

92 % would recommend the programme; 4 of 11 mentees moved into new roles within a year.
