

Proposed scope of limited assurance

Sustainability Report 2026

Marcus Bell · 17 September 2026

Keller & Rowe Wirtschaftsprüfung proposes a limited assurance engagement (ISAE 3000 revised / ISAE 3410) on the following indicators of the Sustainability Report 2026:

Indicator	GRI	Scope
Scope 1 and 2 emissions	305-1, 305-2	All entities
Scope 3 categories 2 and 4	305-3	Harrow Bay construction
Energy consumption	302-1	All entities
LTIF / TRIR incl. contractors	403-9	All sites
Gender diversity	405-1	All employees
Economic value distributed	201-1	Group

Timeline: readiness review 16–27 November 2026; interim testing in December; final procedures 8–19 February 2027. Fee estimate EUR 48,000 plus expenses.
